Pete Batra, MD, FARS

Welcome from the ARS President

Dear Colleagues,

It is my great pleasure to extend a warm welcome to the 2024 American Rhinologic Society Summer Sinus Symposium (ARS SSS). We are thrilled to partake in this fantastic meeting that promises to fulfill your educational, networking, and social needs that we have come to expect from the ARS SSS. New Orleans, with its rich cultural tapestry, serves as the ideal backdrop for our gathering. From the historic French Quarter to the soulful beats of jazz music, the city offers a unique blend of tradition and innovation.

From the earliest days of the ARS SSS, this meeting has become the cornerstone in fostering the exchange of knowledge and advancements in the practice of rhinology, allergy, and skull base surgery. This meeting has emphasized relevant clinical topics, tips and tricks for safe and effective sinonasal surgery, and practical pearls for the diagnosis and management of nasal and sinus conditions. We look forward to continuing this tradition with interactive panels, workshops, and discussions from renowned rhinologists. The ARS SSS strives to provide educational content and salient takeaway messages that can enhance your professional growth and be immediately incorporated into your clinical practice.

During the ARS SSS, you will also have the opportunity to meet with the exhibitors to evaluate the newest technologies and treatments for our patients. Our corporate supporters have generously supported this conference and have allowed us to offer the meeting at limited expense to our attendees. Please take a moment to visit and thank them.

We are excited to welcome you to New Orleans. Hope you have a wonderful meeting!

Pete Batra, MD, MSCR, FARS
President, American Rhinologic Society

Welcome from the SSS Course Directors

Naveen Bhandarkar, MD, FARS

Rohit Garg, MD, FARS

Stella Lee, MD

Justin Turner, MD, FARS

Troy Woodard, MD, FARS

Dear Esteemed Corporate/Industry Partners and Exhibitors,

We are delighted to extend our warmest welcome to you for the 13th Annual Summer Sinus Symposium, taking place from July 12th to 14th, 2024, at the prestigious Hyatt Regency Hotel in the vibrant city of New Orleans!

Building upon the success of previous years, this symposium promises to deliver an unparalleled educational experience, showcasing the latest advancements and best practices in clinical and surgical rhinology. Our goal remains steadfast: to provide the highest level of rhinology education to our esteemed attendees, and we are excited to have you join us as key partners in this endeavor.

Our comprehensive program has been meticulously crafted to address the evolving needs of otolaryngologists and allied health professionals involved in the care of patients with sinus, allergy, and/or skull base disorders. This year's agenda features dedicated sessions covering a wide array of topics, including primary, revision, and advanced sinus surgery, medical treatment of rhinosinusitis, office-based rhinologic surgery, allergy management, biologic treatments, and more. With a distinguished faculty hailing from around the globe, attendees can expect to gain valuable insights from an international perspective.

In addition to our academic offerings, we have curated engaging networking events to facilitate meaningful interactions among attendees, faculty, and industry partners. We invite you to join us for the Signature Event on Friday, July 12th, at 8 Block Kitchen and Bar, featuring delectable cuisine and lively music. Furthermore, don't miss our keynote address on Saturday, July 13th, by Dr. Alessandra Colaïanni, as she explores writing, reflection, and empathy in medicine.

We encourage you to make the most of your participation by exploring the Exhibit Hall, where you'll find the latest innovations and technologies in rhinology. Your presence and contributions in the Exhibit Hall are invaluable in enriching the symposium experience for our attendees.

As we strive to maintain the highest quality of education and collaboration, your feedback is instrumental in shaping the future of our courses. We kindly request that you share your insights and suggestions with us as the conference draws to a close on Sunday, July 14th.

We are confident that the 13th Annual Summer Sinus Symposium will be an exceptional experience filled with learning, networking, and camaraderie. Thank you for your continued support, and we look forward to achieving new heights together at "The Best Sinus Course in the World!"

ARS Summer Sinus Symposium Course Directors:

Naveen Bhandarkar, MD, FARS; Rohit Garg, MD, FARS; Stella Lee, MD; Justin Turner, MD, PhD, FARS; Troy Woodard, MD, FARS

ARS 13th Annual Summer Sinus Symposium

Friday, July 12, 2024

General Session - Celestin DE

<u>Time/Topic</u>	<u>Moderator/Speaker</u>	<u>Panelists</u>
7:00 am - 7:45 am - Breakfast with Exhibitors in Storyville Hall		
7:45 am – 8:00 am Welcome	Naveen Bhandarkar, MD, FARS Rohit Garg, MD, FARS Stella Lee, MD Justin Turner, MD, FARS Troy Woodard, MD, FARS	
8:00 am – 8:45 am Mastering Primary Sinus Surgery: Experts Pearls and Tips <ul style="list-style-type: none">Examine concepts of CRS pathophysiology and their direct application to primary FESS proceduresExplore specific surgical techniques aimed at reducing the need for revision surgeryGain insight into optimizing outcomes in primary FESS through comprehensive medical and surgical care strategies	Brent Senior, MD, FARS	Christopher Ito, MD, FARS Sonya Marcus, MD Justin McCormick, MD Eugenia Vining, MD
8:45am - 9:30 am Managing the Recalcitrant Sinus <ul style="list-style-type: none">Provide a differential diagnosis of recalcitrant sinusitisDiscuss topical, oral, and intravenous medical therapies for recalcitrant sinusitisReview extended sinus approaches for recalcitrant sinusitis	John Craig, MD, FARS	Martin Citardi, MD, FARS Jivianne Lee, MD, FARS Michael Marino, MD, FARS Aaron Pearlman, MD, FARS
9:30 am - 10:15 am Surgical Showdown: Debates in Sinus Surgery <ul style="list-style-type: none">Review options for medical optimization prior to surgical interventionDetermine which criteria influence the extent of surgery offered to patientsDiscuss postoperative management strategies and utility of postoperative debridements	Elisa Illing, MD	Rakesh Chandra, MD, FARS Jean Anderson Eloy, MD, FARS James Palmer, MD, FARS Zara Patel, MD, FARS
10:15 - 10:45 - Break with Exhibitors in Storyville Hall		
10:45 am - 11:15 am Precision Medicine: Biologics <ul style="list-style-type: none">Explore the selection criteria for biologics and their optimal timing in treatment decisionsEvaluate the role of sinus surgery before initiating biologic therapyHighlight latest updates and treatment algorithms from the literature	Joseph Han, MD, FARS	Meha Fox, MD Jonathan Liang, MD, FARS Li-Xing Man, MD, FARS Sarah Wise, MD, FARS
11:15 am - 12:00 pm Practice-Changing Powerhouses: The Top 3 Articles That Revolutionized My Practice <ul style="list-style-type: none">Analyze the findings and methodologies of the top three articles in rhinologyEvaluate the practical implications of these articles on the diagnosis, management, and treatment of Rhinologic conditionsDiscuss strategies for incorporating the insights and recommendations from these articles into daily clinical practice to improve patient outcomes	Nithin Adappa, MD, FARS	Pete Batra, MD, FARS Amber Luong, MD, PhD, FARS J. Pablo Stolovitsky, MD, FARS
12:00 pm - 1:00 pm - Lunch with Exhibitors in Storyville Hall		
1:00 pm - 1:45 pm Managing the Unexpected: Strategies for Handling Complications of FESS <ul style="list-style-type: none">Assess potential factors that can increase risk in sinus surgeryBe able to manage intracranial and orbital complicationsImplement surgical techniques and strategies that can help decrease surgical complications	Roy Casiano, MD, FARS	Nipun Chhabra, MD, FARS Peter Hwang, MD, FARS Tran Locke, MD Jonathan Yip, MD

ARS 13th Annual Summer Sinus Symposium

Friday, July 12, 2024

General Session - Celestin DE, cont'd.

1:45 pm - 2:30 pm

Cadaver Session: Tips and Tricks of In-Office Therapies

- Discuss pre-procedure considerations for ideal patient selection and peri-procedural anesthesia for in-office procedures
- Highlight techniques of various in-office post-procedure recommendations
- Review post procedure recommendation and patient instructions

Sanjeet Rangarajan, MD, FARS
Moderator

Marc Dubin, MD, FARS
Dissector

2:30 pm - 3:00 pm

Break with Exhibitors in Storyville Hall

3:00 pm - 3:45 pm

Antibiotic Alchemy: Controversies in Antimicrobial Use in Rhinology

- Review literature pertaining to perioperative antibiotics for functional endoscopic sinus surgery
- Discuss choice of antimicrobial treatment for exacerbations of CRS
- Determine when culture directed antibiotics are most appropriate
- Review the potential indications for topical antibiotics

Ashleigh Halderman, MD, FARS

Luis Fernando Macias-Valle, MD
Amelia Read, MD
Theodore Schuman, MD, FARS
Auddie Sweis, MD

3:45 pm - 4:15 pm

Mastering Postoperative Management of Sinus and Skull Base Surgery

- Discuss limitations after skull base surgery including noseblowing, continuous positive airway pressure (CPAP) use, and normal exercise activities
- Discuss timing and types of nasal irrigation additive used after endoscopic sinus surgery
- Describe techniques, instruments, and anesthetic options for the management of post-operative sinus debridement

Angela Donaldson, MD, FARS

Stephen Hernandez, MD
Alfred Illoreta, MD
Patricia Loftus, MD
Jordan Pritikin, MD, FARS

4:15 pm - 5:00 pm

Complex Inverted Papilloma Management

- Investigate the current work-up and management protocol for suspected sinonasal inverted papilloma
- Explore innovative surgical strategies for inverted papilloma resection
- Engage in a case-based discussion to develop a nuanced understanding of inverted papilloma management

Stacey Gray, MD, FARS

Nadeem Akbar, MD
Christopher Bergeron, MD
Satyan Sreenath, MD
Abtin Tabaei, MD, FARS

5:00 pm - 6:00 pm

Industry Thank You Event, Storyville Hall, *By Invitation Only*

5:00 pm - 6:00 pm

Women in Rhinology - "Speed Mentoring", Foster 1, Second Floor

6:00 pm - 8:00 pm

Signature Reception - The Atrium/8 Block Kitchen and Bar

ARS 13th Annual Summer Sinus Symposium

Friday, July 12, 2024

New and Emerging Topics - Celestin BC

<u>Time/Topic</u>	<u>Moderator/Speaker</u>	<u>Panelists</u>
12:00 pm - 1:00 pm - Lunch with Exhibitors in Storyville Hall		
1:00 pm - 1:45 pm Research Shark Tank <ul style="list-style-type: none">Evaluate the feasibility and potential impact of innovative proposals in rhinology, such as new teaching methods, novel technologies, or alternative treatment approachesAnalyze the strengths and weaknesses of each proposal, considering factors such as scientific merit, clinical relevance, and practicality for implementationFormulate constructive feedback and suggestions for improvement for the presenters, aimed at refining their proposals and enhancing their potential for success in advancing the field of rhinology	Vijay Ramakrishnan, MD, FARS	Naweed Chowdhury, MD Victoria Lee, MD, FARS Carol Yan, MD
1:45 pm - 2:30 pm AI in Rhinology: A New Era <ul style="list-style-type: none">Gain a comprehensive understanding of the current applications of AI in rhinologyDevelop a proficiency in utilizing AI-driven tools and algorithms to analyze complex rhinologic dataExplore the potential future advancements of AI in rhinology	Masayoshi Takashima, MD, FARS	Do-Yeon Cho, MD Masaru Ishii, MD Brian Lobo, MD, FARS Zara Patel, MD, FARS Bobby Tajudeen, MD, FARS
2:30 pm - 3:00 pm - Break with Exhibitors in Storyville Hall		
3:00 pm - 3:45 pm From Good to Great: Quality Initiatives in Rhinology <ul style="list-style-type: none">Understand the scope and possible quality improvement initiatives in rhinology and skull base surgery and understand the rationale for investing in quality improvement initiativesIdentify and mitigate challenges to implementation of quality improvement initiativesShowcase clinical tips and pearls to improve rhinologic care quality		Patricia Johnson, MD Sonya Marcus, MD Daniel O'Brien, MD, FARS Aaron Pearlman, MD, FARS Amrita Ray, MD, FARS Michael Setzen, MD, FARS Dennis Tang, MD, FARS Michael Yim, MD, FARS
3:45 pm - 4:15 pm Acoustic Energy and Vibration Therapy of the Sinonasal Cavity <ul style="list-style-type: none">Comprehend the principles of acoustic energy and vibration therapy in the context of sinonasal physiologyExplore practical applications in sinonasal disorders, including appropriate patient selectionGain knowledge of relevant devices and techniques for optimizing treatment outcomes	David Yen, MD	Benjamin Bleier, MD, FARS Cecelia Damask, DO Peter Hwang, MD, FARS Katie Phillips, MD
4:15 pm - 5:00 pm What's New in Olfaction? Sniffing Out the Latest Developments <ul style="list-style-type: none">Understand the appropriate workup for patients with smell disordersRecognize the wide differential of diagnoses that can lead to smell disordersLearn about current and potential future treatment options for patients with smell disorders	Zara Patel, MD, FARS	Do-Yeon Cho, MD Naweed Chowdhury, MD Nyssa Farrell, MD Aria Jafari, MD, FARS
5:00 pm - 6:00 pm - Industry Thank You Event, Storyville Hall, By Invitation Only		
5:00 pm - 6:00 pm Women in Rhinology - "Speed Mentoring" Foster 1, Second Floor		
6:00 pm - 8:00 pm Signature Reception The Atrium/8 Block Kitchen and Bar		

ARS 13th Annual Summer Sinus Symposium

Saturday, July 13, 2024

General Rhinology - Celestin DE

Time/Topic

Moderator/Speaker

Panelists

7:00 am - 8:00 am - **Breakfast with Exhibitors in Storyville Hall**

8:00 am - 8:45 am

Streamlining In-Office Rhinology Procedures

- Review anesthetic protocols for office rhinologic procedures
- Discuss equipment and office setup for office rhinologic procedures
- Evaluate the role of new technology for office rhinologic procedures

Roheen Raithatha, MD, FARS

Joshua Greene, MD
Nadeem Kolia, MD
Victoria Lee, MD, FARS
Chirag Patel, MD, FARS

8:45 am - 9:30 am

Beyond the Basics: Advanced Epistaxis Solutions

- Understand etiologies underlying refractory epistaxis
- Recognize surgical and non-surgical options for management of refractory epistaxis
- Master surgical techniques for epistaxis treatment

Garrett Choby, MD, FARS

Scott Graham, MD, FARS
Mamie Higgins, MD
Joseph Raviv, MD
Kolin Rubel, MD

9:30 am - 10:15 am

State-of-the-Art Frontal Sinus Surgery Updates

- Master the latest advancements in surgical techniques for frontal sinus surgery
- Adopt current evidence-based guidelines for managing frontal sinus surgery disease
- Develop proficiency in addressing challenging aspects of frontal sinus surgery

Bradford Woodworth, MD, FARS

Madeleine Schaberg, MD
Jeffrey Suh, MD, FARS
William Yao, MD, FARS

10:15 am - 10:45 am - **Break with Exhibitors in Storyville Hall**

10:45 am - 11:30 am

Cadaver Session: Advanced Techniques/Revision Sinus Surgery

- Illustrate reasons for the need for revision sinus surgery
- Demonstrate key techniques for successful revision sinus surgery including Denker's procedure, sphenoid nasalization, and complex frontal sinus surgery
- Demonstrate surgical options for recalcitrant sinus disease

James Palmer, MD, FARS
Moderator

Jivianne Lee, MD, FARS

Visit with ARS Exhibitors and be entered to win prizes!

Visit with our exhibitors and earn a chance to win an iPad, Apple Watch, or Apple Air Pods.

Each registered attendee (with the exception of spouses, guests, children under the age of 16, and exhibitors), will be given a raffle card. Drop by and visit each exhibitor and get your raffle card stamped. Once you have collected all the stamps, complete and sign the card and turn it in to the ARS staff at the Registration Desk. All raffle tickets must be turned in by 9:30 AM on Sunday July 14th. **The drawing will take place at 10:15 AM in the Exhibit Hall (Storyville Hall).** *You must be present to win. Good Luck!*

The ARS will retain control over the use of Educational Grants, and implement safeguards designed to ensure that educational programs are non-promotional and free from commercial influence and bias. All ancillary industry sponsored events are non-CME. They are neither sponsored by, nor endorsed by the ARS.

Leading a medical practice is challenging...reimbursement changes, referral slowdowns, staff turnover or drama. There are obstacles in the way of achieving your goals. The Physician Growth Accelerator, a private practice partner, helps you uncover and overcome constraints in your practice by checking your business vitals...we identify the root cause of what's restricting your growth, and prescribe what to do about it. Imagine a practice where stress is reduced, profits increase, and both patients and staff are happier. The Physician Growth Accelerator has been making that vision a reality for over a decade. Isn't it time your practice thrived?
